Traduction :

1. - Reviens! Le tendre amour appelle maintenant tes charmes qui refusent de m'accorder le juste plaisir de te voir, t'entendre, te toucher, te baiser et mourir avec toi dans la plus douce harmonie.

2. - Reviens! Que je cesse de me lamenter de ta cruelle indifférence: car maintenant, seul et abandonné, j'attends, je soupire, je pleure, je défaille, je me meurs d'une douleur fatale, d'un mal infini.
